Allah instructs you concerning your children: for the male, what is equal to the share of two females. But if there are [only] daughters, two or more, for them is two thirds of one's estate. And if there is only one, for her is half. And for one's parents, to each one of them is a sixth of his estate if he left children. But if he had no children and the parents [alone] inherit from him, then for his mother is one third. And if he had brothers [or sisters], for his mother is a sixth, after any bequest he [may

have] made or debt. Your parents or your children - you know not

which of them are nearest to you in benefit. [These shares are] an

obligation [imposed] by Allah. Indeed, Allah is ever Knowing and Wise.
