

## The Saheeh International Quran Translation

لَا تَحْسَبَنَّ الَّذِينَ يَفْرَحُونَ بِمَا أَتَوْا وَيُجِبُّونَ أَنْ يُحْمَدُوا بِمَا لَمْ يَفْعَلُوا فَلَا تَحْسَبَنَّهُمْ  
بِمَفَازَةٍ مِّنَ الْعَذَابِ <sup>صَلِّ</sup> وَلَهُمْ عَذَابٌ أَلِيمٌ

And never think that those who rejoice in what they have perpetrated  
and like to be praised for what they did not do - never think them [to  
be] in safety from the punishment, and for them is a painful  
punishment.
