

The Saheeh International Quran Translation

وَلَنُذِيقَنَّهُمْ مِّنَ الْعَذَابِ الْأَدْنَىٰ دُونَ الْعَذَابِ الْأَكْبَرِ لَعَلَّهُمْ يَرْجِعُونَ

And we will surely let them taste the nearer punishment short of the
greater punishment that perhaps they will repent.
