

The Saheeh International Quran Translation

* مَثَلُ الْفَرِيقَيْنِ كَالْأَعْمَى ' وَالْأَصَمِّ وَالْبَصِيرِ وَالسَّمِيعِ ۚ هَلْ يَسْتَوِيَانِ مَثَلًا ۚ أَفَلَا تَذَكَّرُونَ

The example of the two parties is like the blind and deaf, and the seeing

and hearing. Are they equal in comparison? Then, will you not

remember?
