

The Saheeh International Quran Translation

قَدْ مَكَرَ الَّذِينَ مِنْ قَبْلِهِمْ فَآتَى اللَّهُ بُيَانَهُمْ مِنَ الْقَوَاعِدِ فَخَرَّ عَلَيْهِمُ السَّقْفُ مِنْ فَوْقِهِمْ
وَأَتَاهُمُ الْعَذَابُ مِنْ حَيْثُ لَا يَشْعُرُونَ

Those before them had already plotted, but Allah came at their building
from the foundations, so the roof fell upon them from above them, and
the punishment came to them from where they did not perceive.
