The Saheeh International Quran Translation

وَهُوَ الَّذِي خَلَقَ اللَّيْلَ وَالنَّهَارَ وَالشَّمْسَ وَالْقَمَرَ ۖ كُلٌّ فِي فَلَكٍ يَسْبَحُونَ

And it is He who created the night and the day and the sun and the moon; all [heavenly bodies] in an orbit are swimming.
