

The Saheeh International Quran Translation

وَلَقَدْ صَرَّفْنَا فِي هَٰذَا الْقُرْآنِ لِيَذَّكَّرُوا وَمَا يَزِيدُهُمْ إِلَّا نُفُورًا

And We have certainly diversified [the contents] in this Qur'an that
mankind may be reminded, but it does not increase the disbelievers
except in aversion.
