

## The Saheeh International Quran Translation

مَا لَهُمْ بِهِ مِنْ عِلْمٍ وَلَا لِآبَائِهِمْ<sup>ج</sup> كَبُرَتْ كَلِمَةً تَخْرُجُ مِنْ أَفْوَاهِهِمْ<sup>ج</sup> إِنَّ يَقُولُونَ إِلَّا كَذِبًا

They have no knowledge of it, nor had their fathers. Grave is the word  
that comes out of their mouths; they speak not except a lie.
