

## The Saheeh International Quran Translation

وَلَقَدْ زَيَّنَّا السَّمَاءَ الدُّنْيَا بِمَصَابِيحَ وَجَعَلْنَاهَا رُجُومًا لِلشَّيَاطِينِ <sup>ط</sup>وَأَعْتَدْنَا لَهُمْ عَذَابَ  
السَّعِيرِ

And We have certainly beautified the nearest heaven with stars and have  
made [from] them what is thrown at the devils and have prepared for  
them the punishment of the Blaze.
