

The Saheeh International Quran Translation

وَرَأَى الْمُجْرِمُونَ النَّارَ فَظَنُوا أَنَّهُمْ مَوْاقِعُهَا وَلَمْ يَجِدُوا عَنْهَا مَصِيرًا

And the criminals will see the Fire and will be certain that they are to fall therein. And they will not find from it a way elsewhere.
