

## The Saheeh International Quran Translation

لَوْلَا يَنْهَاهُمُ الرَّبَّانِيُّونَ وَالْأَحْبَارُ عَنْ قَوْلِهِمُ الْإِثْمَ وَأَكْلِهِمُ السُّخْتَ<sup>ج</sup> لَبِئْسَ مَا كَانُوا  
يَصْنَعُونَ

Why do the rabbis and religious scholars not forbid them from saying  
what is sinful and devouring what is unlawful? How wretched is what  
they have been practicing.
