The Saheeh International Quran Translation

وَكَيْفَ أَخَافُ مَا أَشْرَكْتُمْ وَلَا تَخَافُونَ أَنَّكُمْ أَشْرَكْتُم بِاللَّهِ مَا لَمْ يُنَزِّلْ بِهِ عَلَيْكُمْ سُلْطَانًا ۚ
فَأَيُّ الْفَرِيقَيْنِ أَحَقُّ بِالْأَمْنِ ۖ إِن كُنتُمْ تَعْلَمُونَ

And how should I fear what you associate while you do not fear that you have associated with Allah that for which He has not sent down to you any authority? So which of the two parties has more right to security, if you should know?
