

The Saheeh International Quran Translation

وَكَيْفَ أَخَافُ مَا أَشْرَكْتُمْ وَلَا تَخَافُونَ أَنَّكُمْ أَشْرَكْتُمْ بِاللَّهِ مَا لَمْ يُنَزَّلْ بِهِ عَلَيْكُمْ سُلْطَانًا
فَأَيُّ الْفَرِيقَيْنِ أَحَقُّ بِالْأَمْنِ^ص إِنْ كُنْتُمْ تَعْلَمُونَ

And how should I fear what you associate while you do not fear that
you have associated with Allah that for which He has not sent down to
you any authority? So which of the two parties has more right to
security, if you should know?
